

Multidisciplinary Studies Amendment Form

Changing the Major Program Courses Listed on your APAS Report

To make changes to the approved coursework listed on your MdS Program Approval Form, you will need to complete this amendment form. Be sure to complete this form and have it approved and filed with MdS *before* you register for the course(s) that you wish to add or substitute. Here's how to proceed:

1. Complete the Additions and Deletions sections of this form.
2. Complete the Reason for requesting the amendment section of this form (required).
3. Submit the completed amendment form to your MdS adviser for review. You can return the signed amendment form to the CCE Information Center and Advising office via fax or standard mail, or drop it off in person. Our fax number is 612-625-2402. Our address is 20 Ruttan Hall, 1994 Buford Avenue, St. Paul, MN 55108.
4. Your MdS adviser will notify you of the status of your amendment request.
